AMENDMENT

Commissioner for Patent
P.O. Box 1450, Alexandria, VA 22313-1450

Sir:

In response to the Non-Final Action mailed on May 17, 2007, the applicant elects the group 1, claims 1-7 for examination.

The applicant insists claims 1-10 relate to a group of invention, and keeps the right that consideration of group 2, claims 8-10, upon allowance of a generic claim.

Respectfully submitted,

Tianhua Gu
